

A HEALING HEART & SOUL RETREAT!

Jubilee Retreat Center, Abingdon, Va
August 8-13, 2019

This is a very unique first time retreat, where Kathryn and the Divine Mother team up to blend two spiritual events together in ONE.

Many of you have experienced a Healing Heart Retreat, where Kathryn wrapped her arms around you, and enfolded your hearts in such a way that it helped you to release energies which were blocking your awareness from the Truth of YOU in a gentle way. You loved it so much that you have continued to come back for another calibration and celebration every year for over 20 yrs.

Dancing, singing, story-telling, meditating, walking in nature, and connecting with others that are like-minded, you discovered we are all ONE family. What is interesting is that everyone who came said they "don't do groups". It only took a short time to discover your "tribe". Someone said, "We are like orphans who have found our way home." It is now time to truly open our arms and hearts and create a beautiful welcoming space for others to find their way home to their own hearts and souls.

Letting go of the old paradigms/matrix and creating a brand new one that totally supports each individual and the collective, is what is in store! Adding to this special retreat is that every night will be a Mother's Lap! She has discourses She wants to impart regarding the new matrix and assisting everyone in how to create a new hologram!

So you get your hearts held, special music played and sung just for you, personal and collective messages from the Mother (and perhaps other "guest speakers"), walk a lovely Labyrinth, perhaps a memorable side trip (time permitting), and be in nature in a beautiful setting with very wonderful, welcoming spiritual people.

Lodging, meals, and a side trip are all included in the price! Jubilee has made this retreat very affordable compared to retreats in the past! What is not included is the cost of getting there. A suggestion might be for a group of you to rent and share the cost of a van. How fun that might be to travel, sing and tell stories along the way! For those of you arriving at the airport, someone will pick you up and take you back at the end of the retreat for a small fee. Private rooms are available for an extra fee of \$150 for the week.

So come one, come all to a most beautiful retreat center! Jubilee Retreat Center in Abingdon, VA. Check it out at www.jubileeretreat.org and reserve your place now!

TESTIMONIALS

I have found the Healing Heart Retreat to be the most magical, special healing retreat I've ever attended, and I've attended many! When Kathryn holds your heart, you know you're embarking on a transformational experience that is absolutely life changing. Multiple. I'd go anywhere, anytime to be a part of a Healing Heart retreat. The Mother's Lap is a unique evening in the presence of the Divine Mother channeled through Kathryn. I have hosted a number of these evenings and been privileged to have that wonderful energy in my Center and home. There is always a universal message, and then the opportunity to sit with the Mother to ask your own personal questions. I have received timely information and felt so encompassed and loved by the Mother. I highly recommend these evenings! Lisa

I have taken several of Kathryn's healing heart retreats, and each has revealed and healed a hidden wound that had been sabotaging my happiness. The words "revealed and healed" are too stark to describe the beautiful unfolding that I experienced in an environment so loving that I was able to open up in ways I had never before experienced. I became more intimately acquainted to my authentic self during each retreat, and each has helped me live a more authentic life. Laura, PhD

I have attended several of Kathryn retreats and her hands on my heart. They have been vital to my own healing process and growth. Kathryn creates a safe, loving and uplifting environment. I have also had the most wonderful experiences during the Mothers Lap. The information is not only accurate but given in a way that is loving and supportive. Whenever I feel the need, the Mother is who I go to for counsel, warmth and affirming my soul's desire. With deepest gratitude, Laurel

I've attended Mother's Lap for 15 years! Each is authentic & magical for me! I recommend them to anyone! I have also attended Healing Heart retreats for well over a decade; they are inspirational and extremely healing events! I heartfully recommend them for anyone!!!! – Dr. Lanny Bruce Fields, Professor of History

I have attended several Healing Heart Retreats and Mother's Lap Sessions, and have had private sessions with the Mother. Always I receive practical information that helps me see circumstances of my life in new ways. This promotes the opportunity for me to respond differently to the circumstances of my life. With insight, I have an easier time choosing peace. Participating in the Healing Heart Retreat is amazing. Compassion flowers for self and 'others'. Kathryn is an extraordinary guide for these journeys in consciousness. BC, Richmond, VA

Kathryn Leeman has been a very important part of my spiritual growth for over 17 yrs. now. Helping with personal issues, marital issues and the loss of my only child. Her Healing Heart Retreats are by far the best available anywhere, mainly because she truly does care about the person or persons she is working with. Many blessings to Kathryn and her work. ~ Vicki Ellis-Ehresman, Eagle Heart Dancing

...open my heart and to take a stand for myself. It has given me the courage and strength to be real and not be what others think I should be. I encourage anyone who is ready to change that this is the place to do it! It has given me a whole new meaning to life." ~Danielle

From zero to sixty--that's how fast my heart coalesced during a session with the Divine Mother. I heard (and felt) things from Her that were of great importance to me, and known only to myself. Highly recommended. VA

Kathryn's unique and extraordinary abilities have been gifted to the rest of us so eloquently through the retreats she hosts. I have been to several Healing Heart Retreats and several Mother's Lap sessions. Each time they have been insightful and transformative. There is always a trusting and loving environment and you can't help but come away with uplifting feelings that stay with you! Robyn Winkler

As I returned home this afternoon and unpacked I was filled with a sense of gratitude for you and the opportunity to join with you on this journey. Each person's healing this weekend was so perfect and each one so creative and unique. I know you've done a lot of your own work and clearing to get to this place where you can be the hollow bone for us. Your talent to channel and see beyond is truly amazing and inspirational to watch and participate in. My thanks :-) In Love & Light, Martha
