

A BRAND-NEW HEALING HEART & SOUL RETREAT! AUGUST 5-8, 2021

Back by popular demand is a very unique Healing Heart & Soul Retreat, where Kathryn and the Divine Mother, Dan and his golden fingers and strings, Pamila and her golden dancing feet, team up to blend two spiritual events together in ONE.

Many of you have experienced a Healing Heart Retreat, where Kathryn wrapped her arms around you, and enfolded your hearts and souls in such a way that it helped you to release energies that were blocking your awareness from the **Truth of YOU** in a gentle way. You loved it so much that you have continued to come back for another calibration and celebration every year. Some of you for over 20 years!

Dancing, singing, storytelling, meditating, walking in nature, and connecting with others that are like-minded, you discover that we are all ONE family. What is interesting is that everyone who came said they "don't do groups". It only takes a short time to discover your "tribe". Someone said, "We are like orphans who have found our way home." It is now time to truly open our arms, hearts and souls to create a beautiful welcoming space for others to find their way home to their own hearts and souls. We have been so denied this for over a year!

FACT: Humans are a part of nature and all of nature needs to be nurtured in order to survive in a happy, healthy way.

Letting go of the old paradigms/matrix and creating a brand new one that totally supports each individual and the collective is what is in store! Adding to this special retreat is that every night will be a Mother's Lap! She has discourses She wants to impart regarding the new matrix and assisting everyone in how to create a new hologram! New Archetypes, Guides and Spiritual Teams are arriving to assist us in the acceleration of our embodied ascension process. It is time to get your hearts held, special music played and sung just for you, personal and collective messages from the

Mother, and be in nature in a beautiful setting with very wonderful, welcoming spiritual people! (By the way, we laugh a lot!)

Lodging, meals and the retreat are all included in this special price! The Roslyn Retreat Center has made this retreat very affordable compared to retreats in the past! What is not included is the cost of getting there. If you need to come by plane, hopefully we can make arrangements to pick you up and take you back. Talk to Kathryn personally. Places are being taken, so make your reservation quickly at the most beautiful retreat center! Go to Roslyn Retreat Center in Richmond, VA to see how beautiful, warm and welcoming this place is!
